## **2012 Summer CSA—Sign-up today to eat better and Live Well; Attend brown bag to learn more**

American Greetings will partner again this summer with Fresh Fork Market to offer a CSA (Community Supported Agriculture) program to associates. This program features weekly deliveries of fresh vegetables, fruits, meats and other locally grown foods from farmers and artisanal producers within a 75-mile radius of Cleveland. The deliveries from Fresh Fork will come directly to associates at world headquarters for 22 weeks during the prime growing seasons here in Ohio.

Fresh Fork Market will accept applicants for the Summer 2012 CSA as long as spaces remain available.

### ***NEW this year!***

American Greetings has been designated by Fresh Fork Market as a dedicated drop-off location. Every Wednesday during the 22-week season, the Fresh Fork Market truck will park at World Headquarters and distribute subscriber shares from 1:00 p.m. until 3:00 p.m. Subscribers will have the opportunity to purchase additional items—a la carte—from the back of the Fresh Fork Market truck. A la carte items will vary from week to week.

Meanwhile, to read more about Fresh Fork Market and its programs and products, go to [www.freshforkmarket.com](http://www.freshforkmarket.com). If you would like to sign up for this year's program, [click here](#) on the last question (Where would you most like to pick up?), and choose "AG Employee" from the drop-down menu.

Visit [AGBenefits](#) for more information about wellness at American Greetings. We look forward to hearing from associates across the Company about ideas, comments, suggestions, success stories and information you may want to share regarding our wellness initiatives and how we can best promote a culture of wellness at American Greetings. Email us at [livewell@amgreetings.com](mailto:livewell@amgreetings.com).

### ***Mark your calendar!***

Representatives from Fresh Fork Market will be at American Greetings at 11:30 a.m. on Friday, March 16, for a Brown Bag lunch to review the program as well as answer any questions you may have.
